

Frequently Asked Questions

Can my 3 year-old receive financial aid or a scholarship to attend Seacoast Waldorf School?

SWS can only offer financial aid and scholarships to students in grades 1-8 as well as second year Kindergarten

Does Seacoast Waldorf School provide “full-scholarships” for students?

To help the most students possible, SWS financial aid and scholarship awards are never more than 50% of tuition

Does Seacoast Waldorf School offer payment plans for tuition?

Yes! Many of our families choose to pay tuition in 6, 9 or 12 monthly payments

Does SWS have any information about outside scholarships for my student?

Yes! (see above!) We are happy to work with any new State or Federal programs- just ask!

My student enrolled in May for the school year beginning in fall. Are we still eligible to apply for financial aid?

Unfortunately, no. Our financial aid application is only open in February and we award 100% of our approved funds at that time. Your student will be eligible to apply in February for the following school year. In the meantime you can apply for a SWS scholarship (pending available funds) or look into state-funded scholarships
